

#ThankYouBrockportCSD

During these unprecedented times, it's more important than ever to show gratitude and appreciation for the teachers, school staff and administrators that are keeping school running from a distance and in our homes! Whether children interact with them daily in person or via Zoom, Teams, ClassLink and email, our teachers, administrators and staff are all working hard to connect and foster learning regardless of the situation. Let's celebrate and thank them!

A simple act sends a big message. Create something from scratch, use a template the PTSA has posted on Facebook (BrockportPTSA) or search for your own...

- A poem, short note or letter of gratitude
- A handmade drawing or coloring page
- A brief video with a favorite memory of the school year

You can attach a photo of what you have created to an email or a message and send it directly to your child's teacher or school staff, post it to social media - And/ Or - You can send it to the PTSA via Facebook Messenger (BrockportPTSA) or email ([BrockportPTSA@gmail.com](mailto:BrockportPTSA@gmail.com)) so we can highlight the appreciation being shared throughout our district. **If you post anything online, be sure to use #ThankYouBrockportCSD so we can see our district's appreciation!**

We hope you will join us for this wonderful week and thank those that are doing the most important job in our society, educating our children - especially under these unparalleled circumstances.

Very truly yours, Brockport Central PTSA
